### All Staff Notes:

- Our Tier 1 notes will be sent to staff after each meeting ALONG with any data we look at as a TIER 1 team. Please let Ptacek know if you want additional information.

-We also filled out the TFI as a Tier 1 team. Once we get results, we can also send that out to the staff.

-Expectation Rotation; We talked about the rotation we have for this week. We understand some groups are large. When we have this rotation again- with the help from new schedules- groups will be smaller for students to practice. Thank you for being patient and we will remember this going forward. If you have other thoughts/suggestions let me know and I can take them to the team for next time.

Thank you for all your work this year!! You are ALL appreciated!!!

Your Tier 1 team☺
